Students entering 7th grade

All students entering 7th grades will need proof of a Tdap booster shot before starting school. This requirement:

- Began July 1, 2011
- Can be met by receiving one dose of Tdap vaccine on or after the 10th birthday (the Tdap can be accepted if given on or after the 7th birthday, but the vaccine is generally not recommended this early)
- Can NOT be satisfied by a Td booster or having history of the disease
- Applies to both public and private schools.

In addition, ALL incoming 7th graders for the 2011-2012 school year will be **required by Kings County to have a documented TB skin test within 6 months PRIOR to the start of school.** (Children who left out of Kings County anytime during 7th grade to beginning of 8th) will also need a TB skin test. (this means that all current 7th graders who had their TB skin test done are okay for 8th grade UNLESS a student left Kings County to go to Mexico, India, etc. OR lived in Tulare, Fresno, or any other county and is returning to Kings County.
