Please check in to the office when visiting

For the safety of our students, ALL parents, grandparents, and guests must check-in the office upon entering the school grounds to sign in and to receive a visitors badge. No matter what the reason is for your visit, every person needs to check in with the office. If you are seen on the grounds without a visitors pass, you will be asked to go to the front office to check in. If you are picking up any student, you must stand in viewing sight of the office staff. Please do not stand in the hallway. It gets real crowded down at the end. Although the Kit Carson Staff may know who you are, there are many new students and teachers who are unfamiliar, we are asking EVERY VISITOR to check in the office.

Parents are welcome and encouraged to visit the school. Visits should be scheduled with the teacher in advance in order to make the visit as productive as possible. Advanced notice also minimizes disruption to the classroom. In the interest of safety, all visitors must check in at the office upon their arrival on campus and prior to visiting a classroom.

Ice Cream Fridays

The Kit Carson Student Council will be selling ice-cream on Fridays during lunch hour (after student's have eaten) for \$1.00.

Health Plan Meetings

Emergency Cards that were completed and returned to the school have been reviewed. If you had mentioned that there may be any medical issues with your student, the County Office Nurse, your students teacher, and a staff member in the office will meet the week of August 24th to review the conditions and arranged a health plan should your child need medical assistance. Information regarding the meetings are also being sent home today. If you did not mention on the Emergency Card a medical issue that you believe the school should be aware of, please contact the office to schedule an appointment to meet with someone immediately. We want to assure you and the student that they are safe when here at school.
