## Trick or Treat for UNICEF

Along with this mid-week message is a form to sign your child up to Trick-or-Treat for UNICEF. Please take a moment and read to your child the value of participating in "Trick-or-Treat for UNICEF." Kings County collected approximately \$12,000. last year. The good news regarding the number of children under the age of five who pass away each day has dropped. The number has dropped by 4,000 children because they are being vaccinated as needed.

There are 439 students enrolled at Kit Carson School. If every student trick-or-treats and participates by bringing in at least \$2.00 each, that would be more than \$878.00. What do you say—let's help save lives together. For more information, check out their website at [www.unicefusa.org](http://www.unicefusa.org)
