### POLICY GUIDESHEET February 2014 Page 1 of 1

Note: Descriptions below identify major revisions made in CSBA's sample board policies, administrative regulations, board bylaws, and/or exhibits. Editorial changes have also been made. Districts should review the sample materials and modify their own policies accordingly.

### **BP 0410 - Nondiscrimination in District Programs and Activities** (BP revised)

MANDATED policy updated to generally reflect NEW LAW (AB 1266) which requires districts to permit a student to participate in sex-segregated school programs and activities, including athletic teams and competitions, and to use facilities consistent with the student's gender identity, regardless of his/her gender as listed on his/her educational records. Policy also references NEW LAW (AB 556) which prohibits employers from discriminating against employees and job applicants based on their military or veteran status.

### BP/AR 5145.3 - Nondiscrimination/Harassment

(BP revised; AR added)

MANDATED policy updated to reflect NEW LAW (AB 1266) which requires districts to permit a student to participate in sex-segregated school programs and activities, including athletic teams and competitions, and to use facilities consistent with the student's gender identity, regardless of his/her gender as listed on his/her educational records. Material regarding the designation of a district Coordinator for Nondiscrimination, provision of training and information about the district's nondiscrimination policy, and grievance procedures moved to new AR.

New MANDATED regulation contains material formerly in BP regarding the designation of a district Coordinator for Nondiscrimination, provision of training and information about the district's nondiscrimination policy, and grievance procedures. Regulation also includes best practices recommended for addressing the unique circumstances and considerations that may arise when a student asserts a different gender from his/her gender at birth, consistent with NEW LAW (AB 1266). Regardless of whether a referendum qualifies for the ballot to attempt to overturn this law, this material may be used to meet the district's responsibility to ensure nondiscrimination based on gender identity.

### AR 6145.2 - Athletic Competition

(AR revised)

Regulation updated to reflect **NEW LAW** (AB 1266) which requires districts to permit a student to participate in sex-segregated school programs and activities, including athletic teams and competitions, and to use facilities consistent with the student's gender identity, regardless of his/her gender as listed on his/her educational records. Regulation also reflects updated California Interscholastic Federation (CIF) bylaws which allow students to participate in interscholastic athletic programs consistent with their gender identity and CIF procedures for addressing student complaints regarding gender identity-based participation in interscholastic sports

Dear Ms. Unruh:

Follett Software Company is pleased to present the enclosed Proposal to provide your district with the Destiny® Resource Management Solution™, a centralized educational resource management system.

#### **Destiny® Resource Management Solution Suite**

The Destiny resource management suite from Follett Software Company provides solutions essential for schools and districts that want to be at the forefront of creating productive. active learning environments-ensuring access to the right resources for students while enabling the best management of digital and physical content, and assets.

Destiny is a complete web-based platform that helps schools and districts know where all of their important educational resources are, from library books and textbooks to eBooks and mobile devices. We provide tools uniquely suited for the K-12 market, helping districts track and manage everything they buy. As new digital learning tools and teaching styles emerge, Follett solutions can help ensure accessibility and accountability for all resources. empowering digital learning to directly impact student success.

Destiny can help districts make sure every student in every school has the right tools in the right place at the right time to learn the way that fits them best - supporting teachers and librarians in their efforts to create motivated, enthusiastic and successful learners.

Districts choose Destiny to help their students, librarians, teachers and administrators to discover and connect with the changing digital world, and learn better ways to become effective educators and leaders:

#### DISCOVER...

- Digital and print content you already own, and uncover content gaps.
- Tools that make educators more effective.
- New ways to engage students using technology.

#### CONNECT...

- Content and resources to academic standards.
- Users to information through seamless access to an integrated solution suite.
- Students' needs with technology and processes relevant to the way each student learns.

#### LEARN...

- Ways to support active learning outside the classroom.
- How to get more out of your investment in educational technology and content.

#### Destiny Library Manager™ Empowering Digital Learning to Directly Impact Student Success

Destiny Library Manager is built specifically to help K-12 libraries thrive in the ever-changing education market. The leading library management software for K-12 schools and districts, Destiny Library Manager is trusted by more than 50,000 customers to expand the vital role of the school library in the digital learning age. With access to curated, educator-reviewed digital content and integrated tools to help students and teachers find, share and use print, digital and media resources, Destiny Library Manager makes the library not only more efficient, but more effective at supporting active student learning, collaboration and integration with classroom curriculum. Destiny Library Manager provides engaging tools for students to find, share and use resources, and includes one of the first mobile apps for school libraries.

Destiny Library Manager empowers students, librarians, teachers and administrators to discover, connect and learn:

#### DISCOVER...

- Relevant resources through one-stop, unified searching.
- Digital and print resources that meet specific needs for your students and teachers.
- How to take your library and learning mobile.
- Ways to support reading and information literacy skills.

#### CONNECT...

- Students with content, anytime, anywhere.
- The library to the classroom.
- With tools to support collaboration between teachers and librarians.

#### LEARN...

- With differentiated content and tools for each student.
- How to reach beyond digital books to digital learning.
- Which content and resources your students use and need.
- How Destiny supports the expanding role of the librarian.

#### Supporting a Student-Focused Digital Learning Environment

At Follett Software Company, we partner with you as we navigate the digital world in which students are already immersed. Destiny solutions integrate the technology, data and resources to help your schools efficiently and cost-effectively track, manage and connect with quality educational materials, ensuring accessibility and accountability.

Thank you for the opportunity to present Destiny as the solution to help empower digital learning and contribute to the success of your district.

Sincerely,

Denise L. Chrisman Inside Sales Consultant - Technology Phone: 800-323-3397 Ext. 7455

Fax: 815-578-5455 dchrisman@Follett.com

#### Solution Overview

Follett Software Company's Destiny Resource Management Solution will be specifically tailored with applicable components, among which are implementation services, data services, customized services, Digital Content Solutions, peripherals, additional training services and/or post-implementation services.

#### Software

Destiny solutions provide the benefits of a browser-based system to manage resources centrally.

**Destiny Library Manager:** Destiny Library Manager helps libraries work more efficiently by seamlessly integrating circulation, cataloging, searching, reporting and library management functions all through a single platform. This easy-to-use, intuitive software helps your library become the central hub of learning and an information resource for the community. It will showcase the librarian's role as today's go-to resources for technology literacy and reading comprehension.

With the purchase of Destiny Library Manager, you receive **Destiny Quest**®, a student-focused search interface designed to engage today's digitally-native students with broad-based integrated searching power and social networking components. Destiny Quest fosters greater collaboration among students, teachers, media specialists and parents; strengthens the library-classroom connection; and helps to improve information literacy by providing technology tools to effectively search, manage, organize and interpret vast amount of information from the district's collection and across the Internet. Access to Destiny Quest is included in the cost for Year 1; ongoing access is enabled by subscribing to "Annual Licensing and Maintenance" for subsequent years. The Destiny Quest mobile app is a subset of Destiny Quest in an app designed for use by students. The Destiny Quest mobile app is available for free download from both Google Play and the Apple App store (Destiny, operating system, and device compatibility requirements are listed with the app.)

#### Implementation Services

Core to your Destiny Resource Management Solution is a suite of services to ensure a successful implementation:

#### **Project Management**

Follett will provide project management services in accordance with industry standard techniques. The Follett Project Manager is your district's central point of contact during the implementation of the Destiny Resource Management Solution, to guide and oversee the entire implementation.

Your Project Manager focuses on the following objectives:

- Facilitation of all project planning activities
- Creation of a Project Plan that is developed and agreed to in writing by both you and Follett
- Coordination of all internal resources to ensure that timelines and deadlines are met

 Successful completion of the project and written customer Acknowledgement of Delivery of the Destiny Resource Management Solution

The Project Plan includes the following key activities:

**Project Planning Questionnaires:** At the beginning of your project, your Project Manager will provide questionnaires to be filled out by your district staff. You will be requested to fill out a questionnaire for each Destiny product, a questionnaire concerning your servers and network, and a questionnaire concerning your Student Information System. It is important to complete these and return them to your Project Manager prior to the Project Planning Meeting in order to have the most efficient and productive meeting, and for Follett to provide the guidance and recommendations appropriate for your district.

**Project Planning Meeting:** This meeting will review responses from the Project Planning Questionnaires and address any questions or concerns. The expected outcome of this meeting is to develop the implementation, installation and training plan and to ensure that proper expectations are set regarding project responsibilities and schedule. For Asset Manager, Media Manager and Textbook Manager, implementations consisting of 25 or more school locations have the option for the Project Planning Meeting to be held on site.

#### System Setup Services

#### System Setup

System setup for the Follett Hosted Service provides your school with configured access to your Destiny software via a Web site address (URL).

Bibliographic data that is processed by Follett will be imported into Destiny. If your data extraction from your current system includes patron data, it will also be imported into Destiny. In addition, if you can provide an export of patron data in CSV file format from your Student Information System (SIS), Follett will import it into Destiny.

It is the customer's responsibility to provide written verification of the Follett Hosted Service Solution delivery immediately following the System Setup via the Acknowledgement of Delivery document (AOD).

There are some services that Follett will not perform for your district:

- Follett will not install any hardware or software at your district or schools.
- Follett will not configure your networking infrastructure. Your entire district-networking infrastructure must be up and running to support the service. This includes all routers and Wide Area Network links.

No school visits are included within the scope of this Agreement. However, during the System Setup the Follett implementation specialist will illustrate workstation configurations that support Destiny.

#### **Technical Administrative Training**

The Follett technical specialist will deliver a brief technical training for your district technology staff. For the Follett Hosted Service, this training will focus on technical administrative functions that you will want to understand, which does not include managing a Destiny server since the server will be managed by Follett.

Your district can have up to twelve users at this training session. Attendees who participate in this training will be authorized to contact Follett's Technical Support hotline for help. Only Follett-trained individuals are authorized to contact Follett's Technical Support line. Additional attendees can be added at an additional cost.

Follett may utilize remote, Web-based conferencing tools to facilitate this training. If this training is delivered with remote, Web-based conferencing tools, high-speed Internet access is required. For best results, your district should select a quiet room with a quality conference telephone.

#### **Essentials Webinar for Library Manager**

The Essentials Webinar for Library Manager offers live, instructor-led, Web-based training that covers the essentials needed to get optimal use from Destiny Library Manager. The session offers instruction on how to: navigate within the software, search the online catalog, circulate materials, create notices and reports, set up loan periods and policies, add titles, and use Destiny Quest. Customers may have up to a maximum of twelve (12) participants. Attendees who participate in this training will be authorized to contact Follett's toll-free telephone technical support hotline for help.

#### Digital Content Solutions

#### Making Digital Content Work for You

Digital Content Solutions from Follett Software are critical tools for schools and districts who want to be at the forefront of digital learning. Follett provides only the best content from the top educational providers and gives you the tools to manage that content. This ensures that all content is being used effectively to create active, personalized learning experiences for students—and helps you discover the potential for learning that digital content provides.

#### Alliance Plus®

Alliance Plus offers 24/7 access to more than 9 million high-quality MARC records for print materials. The database is continuously updated with new records, allowing your district to quickly and easily keep your catalog up-to-date with local holdings as well as improve search results for your users with the addition of reading and interest levels, subject headings, summary and content notes, and review sources.

#### Alliance A/V District Solution

This Digital Content Solution provides librarians with to access over 725,000 Audio-Visual MARC 21 bibliographic records over the Internet for original cataloging or enhancing their existing database. Alliance A/V saves cataloging time and increases collection access points for students and patrons.

#### One Search<sup>™</sup> Solution

One Search is a federated search tool that allows your students and staff to search resources simultaneously with a single search, including content from paid and free online research databases that may be available in your library (such as ProQuest, EBSCO or Gale Group) and Destiny. By presenting a single, familiar interface for searching these data sources, your students will find the information they need quickly and effectively, and usage of your valuable research databases will be improved.

#### Reading Program Service Solution – AR/RC

Reading Program Service – AR/RC is a MARC-record enhancement service that is offered both online, and through custom processing. The service adds reading development information for programs such as Reading Counts!® and Accelerated Reader® to the MARC records of a library collection. Updating your library collection with reading program information allows students to search for leveled reading program titles easily and efficiently, allowing more time to read and making your reading program more effective. In addition to enhancing your MARC records, this service also provides several reports to help you manage your collection and maximize its usefulness.

#### Reading Program Service Solution – Fountas & Pinnell

Reading Program Service – Fountas & Pinnell. The service adds **Fountas & Pinnell** leveled reading information to books in your library collection. Updating your library collection with reading program information allows students to search for leveled reading program titles easily and efficiently, allowing more time to read and making your reading program more effective.

#### Reading Program Service Solution - Lexile

Reading Program Service - Lexile helps strengthen the connection between the classroom and the library by automatically integrating Lexile measures into the collection's bibliographic records, enabling students to quickly and easily search for titles that match their Lexile reading levels. Because the service is online, Destiny can be updated with the most recent reading program information in minutes.

#### Standards Solution

This online Digital Content solution provides access to your curriculum standards. It allows teachers and library staff to build powerful lesson plans by identifying titles in your district's library collection, as well as over 85,000 high-quality, educator selected Web sites, that are aligned with your state or provincial curriculum standards.

#### TitlePeek<sup>™</sup> Solution

TitlePeek enhances the patron searching experience by providing content enrichment services to titles in the library collection. Content includes cover photos, title profiles, table of contents, brief summaries, author notes, first chapter or excerpts, and published reviews.

#### WebPath Express<sup>™</sup> Solution

This is an online solution that directs users who are searching Destiny Library Manager's Catalog to high quality, educator-reviewed Web sites. WebPath Express contains over 85,000 Web sites with more updated and added on a regular basis.

#### **Digital Content Providers**

Follett partners with popular Digital Content providers to help schools make the most of their digital resource investment. Accessible within Destiny Library Manager, these resources offer students and educators a seamless search experience. Access to digital content from these top providers is available for an additional fee.

#### CountryReports

This Digital Content Solution provides your students and staff access to 35,000 pages of online content covering Geography, Social Studies, Language Learning, History and Current Events. These resources are accessible within Destiny® Library Manager™ and Aspen™ Curriculum and Learning.

#### A.D.A.M.

This Digital Content Solution provides your students and staff access to online resources that dramatically enhance the study of human anatomy, physiology, clinical applications and related topics. Incredibly detailed graphics, precision accuracy, sophisticated functionality and information improve your library's database of learning materials. These resources are accessible within Destiny® Library Manager™ and Aspen™ Curriculum and Learning.

#### Soundzabound

This Digital Content Solution provides your students and staff access to royalty free audio that meets all licensing requirements for grades K-12. Soundzabound Royalty Free Music is a copyright compliant solution for all multimedia uses that will guard against copyright infringement. These resources are accessible within Destiny® Library Manager™ and Aspen™ Curriculum and Learning.

#### **ABC-CLIO**

This Digital Content Solution provides your students and staff access to online resources offering authoritative, continually up-to-date coverage of essential topics in U.S. history and government, world history, geography, and a range of multicultural and popular culture subjects. These resources are accessible within Destiny® Library Manager™ and Aspen™ Curriculum and Learning.

#### TeachingBooks.net

This Digital Content Solution provides your students and staff with a multimedia dimension to the reading experience. Teaching Books online database is developed and maintained to include thousands of resources about fiction and nonfiction books used in the K-12 environment, with every resource selected to encourage the integration of multimedia author and book materials into reading and library activities. These resources are accessible within Destiny® Library Manager™ and Aspen™ Curriculum and Learning.

#### **FactCite**

This Digital Content Subscription provides your students and staff with access to 20,000 pages of illustrated nonfiction web content including interactive quizzes, full text searching and focused research index pages. These resources are accessible within Destiny® Library Manager™ and Aspen™ Curriculum and Learning.

#### Data Services

Follett understands that accurate and reliable data is critical to the success of education in your district. Our extensive experience in the industry has proven that a successful Destiny Resource Management Solution implementation requires services focused on ensuring the quality and integrity of the data. We recommend that you consider the following optional services to enhance the quality of your mission-critical data.

#### Destiny Library Manager Data Services

#### **Destiny Conversion Utility Service**

For existing Follett and select Sagebrush customers, your records and transactions will seamlessly move into Destiny via an easy-to-use data conversion utility, which is included in your Solution. However if you prefer that Follett run this utility for you, it can be done at an additional cost.

#### **Destiny Custom Data Manipulation**

In addition, we also offer customized services to manipulate your data based upon your desired specifications.

#### **Destiny MARC Authority Control Service**

The Authority Control Service enhances your district's library collection to ensure increased circulation of the titles. The service standardizes and updates names, uniform titles, series titles and subject headings in the MARC bibliographic records. Additionally, you will receive a database of authority records that will generate "SEE" and "SEE ALSO" references. Authorization of subject headings significantly improves records for subsequent services, including Standards and WebPath Express Digital Content Solutions.

#### **Library Manager MARC Enhancement**

Follett will provide the Library Manager MARC Enhancement service to improve relevancy and accuracy of search results, increase access points so users find information quickly and easily, and streamline searching and information retrieval for data that is exported from an existing library automation system.

The service will attempt to replace the majority of the content in each MARC record with content from Follett's continuously updated database of MARC records, while maintaining correctly cataloged local information. Additionally, the service repairs the MARC record structure, corrects existing tag formats, creates required MARC tags, and updates existing SEARS subject headings using the latest SEARS heading edition.

Enhancements completed through the MARC Enhancement service will improve the proper merging of titles and preservation of data when records representing multiple collections are loaded into Destiny's central database.

#### Library Manager MARC Enhancement – District File

Follett will provide the Library Manager MARC Enhancement service to improve relevancy and accuracy of search results, increase access points so users find information quickly and easily, and streamline searching and information retrieval for data that is exported from an existing library automation system.

The service will attempt to replace the majority of the content in each MARC record with content from Follett's continuously updated database of MARC records, while maintaining properly cataloged local information. Additionally, the record replacement service eliminates common MARC record structure issues, including tag format issues, and missing required MARC tags. The service updates existing SEARS subject headings using the latest SEARS heading edition.

Enhancements completed through the MARC Enhancement service will improve the proper merging of titles and preservation of data when records representing multiple collections are loaded in Destiny's central database.

#### **Library Manager Non-Standard Data Conversion**

This service will convert data from other library systems to the MARC format for use in Destiny. We have extensive experience converting data from other vendor automation systems, and can also convert data from "in-house" systems such as district-developed electronic databases and spreadsheets.

#### **Library Manager Standard MARC Conversion**

Since your existing system allows export in a standard MARC format, Follett will provide the Library Manager Standard MARC Conversion service to convert your electronic library data to the MARC21 / 852 holdings format.

#### Library Manager Standard MARC Conversion - District File

For data coming from an existing centralized system that exports in a standard MARC format, Follett will provide the Library Manager Standard MARC Conversion service to convert your electronic library data to the MARC21 / 852 holdings format.

#### **Destiny Library Manager Split Collection**

Follett will provide Library Manager Split Collection service to split data from a single collection into multiple collections based on agreed upon criteria and specifications.

#### **Destiny Custom Data Manipulation – District File**

Follett will perform the Destiny Custom Data Manipulation service to manipulate your data based on agreed upon specifications of the work.

#### Destiny Custom Reporting Service

Destiny contains extensive reporting capabilities designed to meet the needs of K-12 school districts. For more unique reporting requirements—district, state and federal reports that must conform to advanced specifications—our Destiny Custom Reporting Service puts the expertise of Follett's Database Specialists at your command, transforming your library, textbook and asset data into strategic decision-making information.

#### **Peripherals**

The Right Tools to Create and Support Your Digital Learning Environment Enrich the connection between students, teachers, curriculum and the world beyond the classroom with the latest technology support tools. From interactive whiteboards, student response systems and advanced inventory and tracking capabilities, trust Follett to partner with quality vendors who provide the best available hardware tools designed to support your Follett solution.

#### Follett Wireless Scanner 7100

The Follett Wireless Scanner 7100 is an 802.11b/g wireless scanner designed to keep resources within easy reach allowing users to access customized Destiny screens from the palm of their hand. This wireless scanner gives users the ability to perform real-time circulation, inventory and transfers from anywhere, anytime. Users receive the benefits of high-performance bar-code scanning with the freedom and flexibility of wireless access. The device also comes equipped with Follett's offline utility to ensure users gain all the benefits of the device, even if their wireless network is unavailable.

#### Follett Corded Scanner 5100 with Hands-Free Stand

The Follett Corded Scanner 5100 is a fast and accurate high-performance barcode scanner used to facilitate the checkin/checkout process and make circulation and inventory management fast and easy. The adjustable-mount Hands-Free Stand allows the user to simply pass barcodes below the beam for automatic reading. This scanner is also compatible with Circulation Plus/Catalog Plus, InfoCentre, Spectrum and Athena. The 5100 comes with a 5-year manufacturer's warranty.

#### Follett Cordless Scanner 6102 Scanner

The Follett Cordless Scanner 6102 is the perfect scanner for your circulation stations and for conducting inventories. The cordless device frees up desk and counter space, and allows for extended mobility of up to 33 feet from the base. It has a superior read range of up to 24 inches, a battery life of 57,000 scans per full charge, and a fast scan rate of 270 scans per second. This device is compatible with Destiny, as well as Circulation Plus/Catalog Plus, InfoCentre, Spectrum and Athena. The Follett Cordless Scanner 6102 comes with a 3-year limited manufacturer's warranty. A full-coverage Extended Maintenance Agreement is also available.

#### Follett Infigo™ Thermal Receipt Printer

The Follett Infigo thermal receipt printer offers a plug-and-play setup—it ships with an internal power supply, USB and power cables, complete mounting kits and a paper roll. The Infigo is the fastest receipt printer we've offered, printing 22 receipts per minute. This printer comes with a 3-year limited warranty, and is compatible with Destiny Library Manager, Destiny Textbook Manager, and InfoCentre 3.2.

#### **Extended Maintenance Agreement**

Follett's personalized Extended Maintenance Agreements (EMAs) are available on scanners and hardware devices when purchased from Follett Software Company. These renewable Agreements are economical and provide protection against costly repairs if your unit experiences operational problems after the initial limited warranty period. Unlike standard warranty extensions, Follett EMAs cover every original component, including cables and batteries. A Follett EMA also entitles the customer to a free loaner device if repairs take longer than expected.

#### Follett 3600 Interactive Whiteboards

The Follett 3600 Interactive Whiteboard powered by PolyVision using eno™ technology is the first three-in-one interactive whiteboard solution—dry erase marker, magnetic and multimedia—giving teachers a flexible, versatile tool that keeps pace with the demands of today's students. It delivers true, interactive performance, engaging students with high-tech multimedia, multisensory, multidimensional lessons. The Follett 3600 features a Forever Warranty on the dry erase surface.

#### Follett 4200 Student Response System Suite

The Follett 4200 Student Response System featuring Quizdom technology is part of a complete interactive classroom solution, designed to engage and motivate students while giving the teacher the tools to monitor and record student progress.

Qwizdom's award-winning technology engages everyone in the classroom, student and teacher alike. Students become inspired, engaged and motivated while using Qwizdom's software, data collection tools and RF handheld remote system.

#### Follett 2500 RFID System (RFID)

The Follett 2500 RFID System is designed to enable Destiny Library Manager to utilize RFID technology for easier circulation (including self-checkout), faster inventory, and greater book security. This system is based on very straight forward barcode emulation logic so that once a book RFID tag is read it behaves in the same manner as a barcode within Destiny. In this way, any existing processes or reports remain unaffected.

The hardware devices are simple "plug & play" installation and can be easily used by anyone. The system consists of these 5 major components:

- RFID High Frequency Tags
- RFID Encoder with Barcode Scanner
- RFID Read with Antenna Pad
- RFID Cordless Inventory "Blade" scanner
- RFID Security Gates

#### Post Implementation Support Services

#### **District Technical Support**

District Technical Support is included with your Destiny Service Agreement, and features the following services:

- Software updates during the year
- Alliance Plus—Online access to a database of over 9 million high-quality MARC21 records
- One Search
- TitlePeek
- Toll-free telephone technical support for designated Customer contacts
- 24/7 customer Web Portal, with searchable online knowledge base

JUL 0 7 2014

Dear Mr. Barlow,

I am writing this letter to formally resign from my position as Special Education Teacher. I have enjoyed the past eight years at Kit Carson Elementary School. I have gained invaluable experience and have been very fortunate to work with wonderful colleagues and students. However, in order to pursue other opportunities & professional challenges, I have recently accepted a position with another school district.

I would also like to take this time to thank you for the administrative experience & support you have given me as I worked on my administrative credential & Master's Degree. It has really been a pleasure to work with you, Todd!

Respectfully,

Tina Gonzales
