## **NOTICE OF PUBLIC HEARING ON ESTABLISHING TRUSTEE AREAS, KIT CARSON UNION SCHOOL DISTRICT**

The 2010 Census data has recently been released. The District is considering moving from an at large election process for members of the board of trustees to a system of trustee areas where each board member is elected from a specific trustee area in which he or she resides. This procedure is authorized under California Education Code §5019.

The District will be considering alternate maps for trustee areas. The Board of Trustees will be discussing these alternate maps at a public hearing on November 2, 2011, and encourages the public to participate at the hearing. It is expected that a final decision on redistricting will be made at this hearing.
