

# CARNIVAL TIME

APRIL 14, 2012

12:00 – 06:00

Dear Parents and Students,

Once again it is Spring Fling Carnival time and that means it is time to start collecting for our room baskets that will be auctioned off at this year's carnival. These baskets help bring in money that is used to support our kids, our teachers, our school. Over the past week your teachers have been working together to pick the themes that each class's basket will be. We are asking that each student please bring in as many items as possible to make your class basket the best. Below you will find your teachers name with the theme that they chose. Items are needed as soon as possible but need to be turned in by April 12 so that baskets can be put together.

Thank You,

Kit Carson PTC

TEACHER	GRADE	THEME
CHRISMAN	K	BABY
